

2020 DBIA Education

MORE CONVENIENT THAN EVER

2020 will bring exciting changes to DBIA's rapidly expanding Design-Build Done Right® education and certification program. Ever been frustrated because you couldn't make it to an in-person certification workshop? Now, you'll be able to join select courses live as an actively engaged participant from the convenience of your computer. These sessions aren't traditional webinars. You'll be collaborating real-time with your instructor and fellow students through Q&A, chat, voting and polling, providing the same highly-engaged workshop experience our experienced instructors are famous for delivering. DBIA is excited that this new program will provide even more educational opportunities to an expanding number of design-build team members. Register early to save your spot!

In-Person

CERTIFICATION WORKSHOPS & INDIVIDUAL CLASSES

As the only organization that defines, teaches and promotes best practices in design-build project delivery, DBIA instructors are experts in our industry. They bring decades of real-world design-build experience to their courses, providing practical and personal attention to ensure attendees leave with "how-to" strategies and techniques for their successful design-build projects. Search our course calendar at dbia.org/courses for details, pricing and online registration for all our many in-person design-build courses. You can also download a PDF registration form.

Discounts are available for federal government agencies and employees under DBIA's GSA Federal Supply Schedule. GSA pricing available at dbia.org/courses.

Webinars

DBIA TRAINING ON YOUR SCHEDULE

DBIA's live webinars provide Design-Build Done Right® education with a click of a mouse. Our webinar instructors are leaders in the industry and offer their expertise across a wide range of topics. Webinars provide the interactivity of in-person training with the convenience of online education.

Custom Training

YOU KNOW BEST WHAT YOUR ORGANIZATION NEEDS

DBIA will tailor our courses to fit your organization and then bring our educators to your workplace. Our in-house training is customized to bring your team the best of Design-Build Done Right® education when and where you need it.
